WHO WE ARE

3SG Plus is a certified minority-owned technology reseller and IT services provider headquartered in Columbus, Ohio. Our services include enterprise content management, digital transformation, and cybersecurity. We are an authorized OnBase reseller, integrator, and professional services provider.

WHAT WE DO

We specialize in delivering customized Accela, OnBase, and TrueFort software deployments to integrate with our clients' existing systems. Our services extend beyond deployment, to encompass onboarding support and post-implementation assistance. We also deliver digital transformation solutions that address each client's unique needs, so businesses can concentrate on driving growth and achieving their objectives.

WHY 3SG PLUS

Our team has nearly 20 years of experience in IT, cybersecurity, and regulatory compliance. Our expertise and comprehensive support services enhance operational effectiveness, boost transparency, and maximize value and impact for public agencies and private sector clients.
