

ONBASE CLOUD MIGRATION SERVICES

OVERVIEW

Cloud adoption is on the rise, signaling recognition of its transformative potential. Migrating existing OnBase platforms to the cloud offers numerous advantages as organizations strive to future-proof their operations and adapt to changing market dynamics.

OUR SERVICES

As an authorized OnBase integrator and professional services provider, 3SG Plus offers unparalleled expertise and support throughout the migration journey.

Discovery and Assessment: Comprehensive evaluation of your current environment to develop a tailored migration strategy.

Planning and Preparation: Collaborative development of a detailed migration plan, including timeline and risk mitigation.

Migration Execution: Seamless transition to OnBase Cloud with minimal disruption to operations.

Post-Migration Support: Ongoing guidance to optimize performance and efficiency in your OnBase Cloud environment.

WHO WE ARE

SG Plus is a technology reseller and IT managed services provider headquartered in Columbus, Ohio. Our services include enterprise content management, digital transformation, and cybersecurity. We are an authorized OnBase reseller, integrator, and professional services provider.

WHAT WE DO

We provide customized OnBase deployments, and we integrate OnBase software with other client systems to enhance functionality and effectiveness. We also provide onboarding assistance and post-implementation support.

WHY 3SG PLUS

Our team has 20 years of experience in providing digital transformation solutions to public and private sector clients. Our expertise and comprehensive support services enhance operational effectiveness, boost transparency, and maximize the value and impact of their OnBase software.
