

GRC COMPLIANCE SERVICES FOR SMALL BUSINESSES

SIMPLIFY COMPLIANCE. ACHIEVE CERTIFICATION.

Many small businesses (SMBs) are expected to obtain governance, risk, and compliance (GRC) certifications to meet regulatory requirements, satisfy customer demands, and build trust with stakeholders. However, limited expertise and resources make compliance a complex challenge.

Comprehensive GRC compliance services from 3SG Plus help SMBs navigate the GRC compliance process by combining expert guidance, project management, and ongoing support. We simplify audit preparation, streamline implementation, and provide continuous monitoring to ensure long-term compliance success.

With our expert guidance and ongoing support, SMBs can achieve and maintain compliance with confidence, freeing them to focus on growth and innovation.

BENEFITS

- ✓ Comprehensive, end-to-end compliance support from assessment to certification
- ✓ Streamlined, automated audit preparation using industry-standard compliance tools
- ✓ Flexible, cost-effective compliance solutions that scale with business needs

WHO WE ARE

3SG Plus is a technology reseller and IT managed services provider headquartered in Columbus, Ohio. Our services include GRC (governance, risk, and compliance), IT business process assessments, cybersecurity, digital transformation, and enterprise content management.

WHAT WE DO

We help businesses navigate complex IT and compliance challenges by delivering tailored solutions that enhance security, streamline operations, and ensure regulatory compliance. Our expert guidance and innovative technology help simplify risk management and provide the support businesses need to maintain compliance and operational efficiency.

WHY 3SG PLUS

With over 20 years of experience in digital transformation, workflow automation, and IT, customers can trust that 3SG+ possesses the knowledge and skills necessary to address their needs effectively, providing solutions that are informed by years of industry experience and best practices.
